

Part-Time Worship Pastor

We are also in the process of recruiting an administrator, so do let us know in your application if you'd be interested in combining this worship pastor role with part of an administrator's role. See stpetersnorbiton.org.uk/jobs

This role is to lead the worship at St Peter's Norbiton, a diverse Anglican church that appreciates contemporary charismatic worship alongside a few traditional hymns. The successful candidate would need to be a confident lead vocalist.

Who are we?

We are a warm and diverse community of Jesus' disciples with a mission to embrace God's Love, Connect Communities, and seek His Kingdom.

We value being grounded in God's Word, aflame with His Spirit, and overflowing with His love.

We sense a particular call to the marginalised, the outsider, and the most vulnerable. At present, this is particularly expressed through our outreach work on the Cambridge Road Estate, where we run a toddler ministry and a community café, and through our work with refugees, for whom we provide accommodation in a community house and other pastoral and discipleship support.

Summary of Terms

This is a part-time position (5 hours per week) based at St Peter's Norbiton on Sunday mornings. The post is permanent (after a 6-month probationary period). The salary would be based on £18-£22 per hour, depending on experience, with a contributory pension scheme (employer will contribute 5%) and 5 weeks annual leave plus Bank Holidays.
